### Bird Words

Greetings Everyone,

Albuquerque is still in quarantine lockdown due to Covid19. Our meeting place continues to be closed for community gatherings until further notice. No new information has been posted on the Bernalillo County website with any anticipated opening date for our meeting place.

As we rapidly approach the 4<sup>th</sup> of July, Independence Day, holiday, now is a good time to prepare your birds for noise from fireworks. With more people sequestered in their homes, there may be more fireworks activity and noise in your neighborhood this year.

Some birds will become a little clingier, some will be more vocal, and some are just terrified by the sound of fireworks or other explosions.

Every bird is different and you know your birds best. Just being available to your birds can be very calming for them. Sometimes it helps to play music or TV to distract from the noise. Some people on the Facebook parrot pages offer their birds chamomile tea that is cooled to room temperature. If you need to use a stronger sedative, consult your avian veterinarian first for proper use and dosage.

Don't be afraid to reach out if you need help with food or supplies. Use social media to stay connected. This too shall pass.

**Jennifer Catron**

Thank you.

## General Meetings

---

### June - Cancelled

Our meeting this month is cancelled due to actions and measures to prevent the spread of the Covid19 virus.

Our meeting place, Raymond G. Sanchez Community Center, is closed until further notice.

When we can resume our regular monthly meetings is unknown. We'll keep you posted as we know more about restrictions being lifted and reopening of our meeting venue.

Thank you for understanding. Stay safe and remain calm. This too shall pass.

### Next Meeting

DVD movie night: Bill and Coo! This movie premiered in 1948 and won a special Academy award for artistry and patience blended in a novel and entertaining use of the medium of motion pictures.

All the actors are animals and most of them are birds. This heartwarming story is about the town of Chirpendale, its residents, and how they pull together to defeat a crow menacing their town.

The video quality is not the best, but it's just fascinating to watch all these birds act and perform tricks.

### Next Next Meeting

Parrot treats competition. Do you make or bake some special treats for your birds? Think your recipe can win over our panel of experts on parrot treats?

For our next next meeting program, everyone is encouraged to bring in samples of their choice of a parrot treat.

The panel of experts will be all the birds at the meeting. Winners will be determined by the most eaten parrot treat. First, second and third places can pick a prize from the HDIBC prize bin.

It's a lot of fun for our birds and people alike.

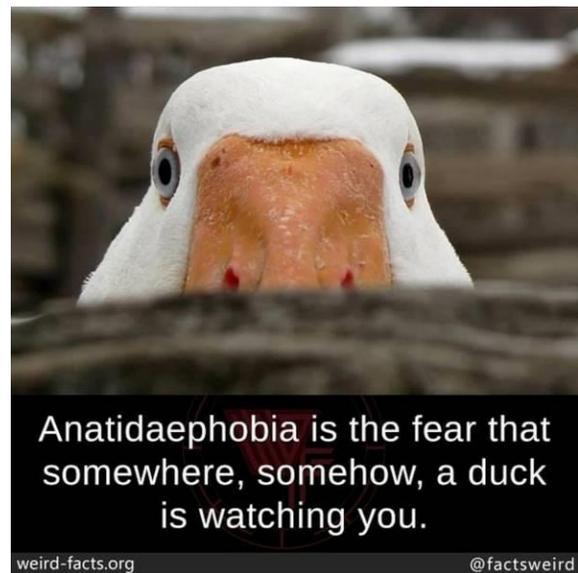

## Meeting Minutes

---

No meeting. No minutes.

## Word of the Day

## Club Officers

---

We have two HDBC officer positions open and available for the remainder of 2020. Until we know when we will be able to all meet in person again, we can't really plan to elect new officers to fill these vacancies.

If you are interested in the roles and responsibilities of the officer positions, they are listed in the HDBC Constitution and By-Laws posted on our website: <http://www.highdesertbirdclub.org/about-us/>. Or you can click on the following link for the PDF: [HDBC Constitution and By-Laws 062608 Amend 110712](#).

We'll discuss how to proceed at our next meeting or possibly our next next meeting.

## Amazon Smile

---

Did you know you can make a donation to your favorite charity every time you shop on Amazon.com?

With Amazon Smile, you get the same prices, selection and convenience as Amazon.com, with the bonus that a portion of the proceeds from your purchases are donated to a charity of your choice. It's a small percentage (.05%) of the sale, and it doesn't cost you anything.

There are many charities to pick from, and unfortunately you can only select one at a time. Once you select a charity, it remains that until you change your selection.

Some of our favorite charities include, Birds of Feather Parrot Rescue of New Mexico, American Federation of Aviculture, and On a Wing and a Prayer (Corrales, NM, run by Mikal Deese, wild birds).

Sign into <https://smile.amazon.com> with your normal Amazon login information and select the charity of your choice today.

## AFA

---

The American Federation of Aviculture (AFA) educational conference and avian expo is cancelled for 2020.

A date and place is already selected for the 2021 conference. The next AFA conference is scheduled for August 12-14, 2021, at the Hilton Minneapolis-St. Paul Airport hotel. The theme is "Working Towards a Rosie Future for Aviculture".

The location is near the Minnesota Valley National Wildlife Refuge and the Mall of America. Sounds like fun. Mark your calendars.

## Bird Rescue, Foster, and Adoption

A wide variety of birds are available for adoption at Birds of a Feather Parrot Rescue of New Mexico (BFPR). HDBC is partnering with BFPR to help with receiving, fostering and rehoming pet birds.

If you're interested in adding a feathered friend to your family, please contact Dorothy Newbill (BFPR) at (505) 980-6166, or you can call our HDBC Pet Bird Rescue Hotline at (505) 554-0804 for assistance.

**Scarlet Macaw**

**Goffins Cockatoo**

If you are interested in fostering or adopting a parrot, BFPR is a **very** active parrot rescue. They are always working with a variety of different pet birds from Amazons to Macaws, and the smaller birds like budgies and cockatiels. They've even had some hand-tame doves available for adoption.

**Note: Bird adoptions and visitations are being allowed again, but on a limited schedule and with restrictions until the Covid19 quarantine is lifted.**

**Double Yellow-headed Amazon**

For more information, call Dorothy Newbill at (505) 980-6166 or check out their Facebook page at: <https://www.facebook.com/birdsofafeathernm/>.

Rehoming fees and adoption policy process apply.
